

Dear Ministry Partner,

This last month we were reminded that we serve a MIGHTY and POWERFUL God! In November we were able to help send 7 couples to the Weekend to Remember Marriage Getaway. We were praying the whole weekend that God would work in miraculous ways in the hearts and minds of these couples. In the back of my (Jennifer's) mind I thought it was a lofty request for ALL of the couples to be touched because it would have to be...well, a miracle. After the weekend was over, we could not wait to talk to each couple. Here is what one couple had to say.

"We had an INCREDIBLY AMAZING weekend!! Weekend to Remember was the best thing that has happened to us in a long time. I Praise God for doing mighty and great things and all the wonderful people who made it possible for us to go. THANK YOU!" Lauren Sloan

Praises and Prayers

- **Praise** that ALL 7 couples had amazing, life-changing experiences at the Weekend to Remember in St. Louis last month.
- **Praise & Prayer** - Praise that Nathan's sister and brother-in-law (Jesse and Cynthia Frame) reported as missionaries in Australia on November 9. Pray for them to adjust to the new culture and to be used by God effectively in their new ministry. Jesse is serving as the pastor of Charlestown Christian Church.
- **Pray** for the lay-leaders of the churches that will be hosting *The Art of Marriage* in February. Please pray for Brad and Jennifer Kazmaier as they prepare to lead it for St. Paul's.
- **Pray** that as Christmas approaches, all families will remember the reason we celebrate and take special time to praise God for the gift of Jesus!
- **Pray** that marriages and families will continue to be transformed by God through the ministry of FamilyLife.

Call after call, we were blown away by the wonderful experiences and stories that we heard from each and every couple. We had one couple left to call and as I picked up the phone and dialed, my stomach was in a knot. Could God have really done it? At the time, I did not know that God was saving the best for last! Read what this wife had to say.

"We had a fantastic weekend all around, but to me the best part was that my husband accepted Christ as his Savior and invited Him into his heart at last! Praise the Lord, and thank you to ALL the people who made it possible for us to go and who have been praying on our behalf!" Liberty Edwards

After hearing this, I just cried and looked to heaven in complete awe of God's awesome power! God answered our lofty prayers!

We wanted to pass on these comments to you, our ministry partners because when these couples told us, "Thank You", they were really thanking you! Thank you for your support and prayers. Without you, we would not have been able to help these couples attend the Weekend to Remember. You are truly making an eternal difference in marriages and families right here in our community!
