

Dear Ministry Partner,

When we began our journey as missionaries one year ago, we thought we had to hurry up and raise our financial support so that we could report to the ministry headquarters to “do ministry”; however, we have learned that as soon as you say “Yes” to the Lord, He uses you immediately. It has been humbling to see how much God has used us to do ministry. Here are just a few of the things that the Lord has enabled us to do over the last 12 months.

- We have gone on over 200 ministry appointments, sharing about FamilyLife, and encouraging everyone to strengthen their relationship with the Lord and their family.
- We have shared the Gospel message on 2 appointments and 1 person prayed to receive Christ!
- We have met with people from 20 different churches in the area.
- We have met with leadership/missions teams from 3 different churches. They all have plans to use FamilyLife resources in their church.
- We have helped 14 couples attend a Weekend to Remember in the past 6 months. There are 3 couples who have already signed up to attend the Weekend to Remember in St. Louis this November.
- We recruited 1 couple from our church to host The Art of Marriage and the 6 couples that attended came back with EXCELLENT reviews.
- We led 2 individuals to sign up to become eMentors.
- We have taught many couples how to pray out-loud for each other.
- We connected 2 ministry partners to use the FamilyLife Passport2Purity material with their teenage children.
- On 11 appointments people opened up and shared about serious issues they were experiencing within their own marriage or family and we were able to direct them to FamilyLife for help and hope.
- Almost 50% of our monthly financial support has been raised!

On a mission to make every home a godly home.

Praises and Prayers

- **Praise** for an amazing first year as missionaries with Campus Crusade and FamilyLife.
- **Praise** for the new churches that have plans to use FamilyLife resources.
- **Pray** that we will have at least 20 couples sign-up with our group to attend the Weekend to Remember in St. Louis, November 4-6. Pray and see if God is leading you to attend or to invite someone to join you.
- **Praise** that 3 couples have already signed up!
- **Praise** that God has provided almost 50% of our financial support!
- **Pray** that God will raise up the rest of our support quickly so that we can get to the ministry headquarters and start reaching more marriages and families for Christ.
- **Pray** that families will continue to be transformed by God through the ministry of FamilyLife.

THANK YOU!

We want to say THANK YOU to all of our ministry partners! Thank you for being a part of every life that we have had the privilege of impacting over the past year. You are making an eternal difference!

Purity: Body, Mind, and Heart

Do you have a child about ready to enter adolescence, or do you know someone who does? Don't be passive, be proactive! Get FamilyLife's Passport2Purity kit.

Teaching kids about the facts of life is so much more than just "the birds and the bees." It is surely one of the most awkward parts of parenting—especially in today's permissive society. FamilyLife founders Dennis and Barbara Rainey have created a fun, non-threatening way to connect with your child while *teaching the godly principles of sexuality*. Passport2Purity is to be done on a special weekend getaway with your child. Plan a trip that you and your child will enjoy together. It will be a life-changing experience for both of you. *One of our ministry partners went on a Mother/Daughter getaway to do Passport2Purity. Here is what they had to say.*

Lauren (age 12) "On our weekend *I learned a lot about growing up* and learned things I didn't know and it was fun to hang out with my Mom."

Jennifer (mom) "I could not have asked for a better way to share some very sensitive yet needed advice with my preteen daughter. As our children grow towards adulthood, there is so much we need and want to prepare them for. I found myself struggling with what was the best way to approach some of the sensitive subjects and how to give her the tools she will need. As Lauren is preparing for middle school, I know she will be faced with many challenges. *Passport2Purity has helped us to not only prepare for the upcoming challenges, but to also prepare us for the many celebrations ahead.* It was definitely a bonding experience for the two of us, and I truly believe she is now prepared and ready for whatever might be thrown her way."

We have two Graduates!

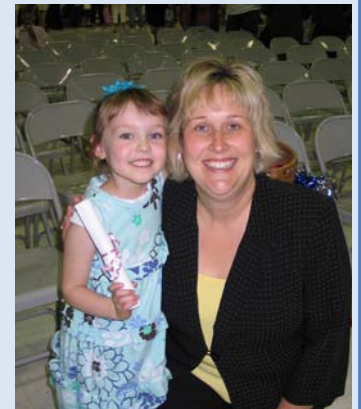

Lucas from Kindergarten
 Allison from Preschool

We are so blessed! Both our children had wonderful and loving teachers this year.

Lucas loved Kindergarten, and loved having Mrs. Pecka as his teacher. She instilled a love for learning in him. When we asked what he wanted to do this summer, he said, "I want to learn to read better!" (Great answer)

This was Allison's first experience with school, and Ms. Heather made it so fun. Every day Allison told us stories about her "school friends" all the way home. (Our little social butterfly)

All the Kindergarten classes at Lucas' school got together for a Luau to celebrate the end of school. Lucas was so excited the day of the Luau, he was up and dressed in his Hawaiian shirt by 5:30am, standing by the side of our bed, asking, "When does the bus come?"
