

Dear Ministry Partner,

It is not too late to sign up for the Weekend to Remember! The event is coming to the St. Louis area **November 4-6, 2011** at the Ritz Carlton Hotel. If that event doesn't work for you there are over 130 events around the country in the next year. [www.familylife.com](http://www.familylife.com)

This is your chance to get away from the distractions of daily life. Cell phones are shut off and to-do lists are temporarily forgotten. It's time to **slow down and reconnect**.

Take your marriage from "fine" to **"Fantastic!"**

This event is a warm, engaging gathering that's all about making progress, not placing blame. Our insightful speakers will help you work through your differences, improve communication, and even **rekindle your romance**. For more than 30 years, we've helped people reach a turning point in their marriages.

Added Bonus: **A Date Night is built into the schedule!**

When talking about marriage and God's design for marriage, I love the advice of Bob Lepine, FamilyLife Today radio show host. You should first go to Philippians 2:3-4, "Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others."

Today we live in a culture that screams *It is all about you!* But scripture tells us something different. It is easy to become selfish, to put our personal interests ahead of the one person we love the most. This Getaway is a chance to re-align yourself with scripture, to show your spouse that his/her needs and interests come before your own. When both husband and wife succeed in doing that, a new level of intimacy is reached.

Make your marriage a priority, invest in the most important earthy relationship you will ever have!

### What people are saying...

"I had no interest in going. I could care less to attend a Weekend to Remember.

Wow! This was the best decision my wife has ever made for us. To all men, if you want a true marriage, go to a Weekend to Remember. It will change your life for the better, forever."

"This is our second time, last year we were separated living in two different houses. This year we are back in the same house and came for a refresher. It all started here. It works!"

### Praises and Prayers

**Praise:** The movie *Courageous* has made a profound impact on men and families! Pray that we will see a new generation of godly men rise up and courageously love and lead their families.

**Pray:** For the Weekend to Remember event coming to St. Louis next month. Pray that God will soften the hearts of all those attending, that all hearts will be transformed in miraculous ways, and that marriages will be saved through the power of Jesus Christ!

**Praise:** We have 14 couples signed up to attend the Weekend to Remember! Pray that we will have a total of 20 couples register by November.

**Pray:** That God will bring the rest of our support team together so we can be fully funded and report to FamilyLife headquarters in Little Rock, AR by March of 2012.

## From the Mailbag

One of our ministry partners picked up a few FamilyLife resources and has seen a difference in their marriage already! They sent us an encouraging message we wanted to share with you:

Nathan and Jennifer,

“I believe in this ministry SOOO much, because I have experienced first hand what it's like when marriage crumbles...again, and again! (Mom divorced twice, dad divorced 4 TIMES!) It left me feeling very insecure, confused about relationships, and no clue as to what commitment was.

We have the *Moments With You* couples devotional book and love it. I get really excited for us to sneak away for a few moments each day to commit this time to our marriage!

The other day Mike surprised me, he wrote “I Love U” on the bathroom mirror with lip-stick. So when I got out of the shower I saw it! Mike must have read about that idea in the *Tips For Romancing Your Wife* book. It put a huge smile on my face, and melted my heart! It made me feel so special that he took the time and made an effort to do something special just for me!

I'm so grateful, because as you know, taking care of our children and Mike working nights has just about drained us at times. ***Thank you for helping us to remember the importance maintaining the foundation of our family...our marriage.*** I kind of have those butterflies in my stomach...like when we were dating!”

Thanks, Jill

Thank you to the 20+ people that joined us to watch the movie ***Courageous!*** *Courageous* is now Americas #1 New Movie. Pictured above are some of the men that are taking the ***Courageous Resolution*** home to their families. Find out more at [www.courageousthemovie.com](http://www.courageousthemovie.com). After you see the film, let us know what “resolutions” you will be making. Email us, we would love to pray for you.

Just before the movie *Courageous* opened in theaters, FamilyLife Today had the makers of the film, Alex and Stephen Kendrick, on their radio show. It was an amazing three day series. They talked about the story behind the movie and how *Courageous* came to be. Alex and Steven both give touching tributes to their own father.

Don't forget you can go to the FamilyLife on-line store to get other *Courageous* resources.
