

Dear Ministry Partner,

There are several times in our lives that we encounter a life changing or pivotal moment that ultimately shapes our future. For many, this may be when we decided what college to attend, whom we were going to marry or what career path we were going to take. As you can imagine, one of our moments was when Jennifer and I accepted the Lords call to become full-time missionaries with Campus Crusade for Christ/Cru and to work for FamilyLife to reach families with the love of Christ.

We are excited to announce our next leap of faith. I (Nathan) have given my notice at work. ***My last day will be March 30th!*** Starting April 1st, Jennifer and I will be relying fully on support as we both work full-time to share the ministry and raise up the remainder of our monthly financial needs. We are leaving the safety-net behind and leaping out on faith, fully relying on God's provision and direction.

I have been thinking recently about how Joshua might have felt after Moses had died. God spoke to Joshua saying he was going to take the torch now, he was going to lead God's people across the Jordan River and into the Promised Land. But with this command, God also made a promise to Joshua.

"Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful. Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:8-9

I think I can relate with how Joshua felt, standing on the bank of the Jordan River, seeing the Promised Land on the other side. I am filled with excitement and anticipation, knowing that as we take this leap of faith, God promises to be with us every step of the way.

We are confident that if we stay focused on God's direction, He will lead us to the remaining financial partners we need and we will be prosperous and successful. We will get to our "Promised Land", FamilyLife's headquarters in Little Rock Arkansas.

We would not be this far without YOU as our prayer and financial partners. Words cannot express our appreciation enough. It is by linking arms with one another that we can together do what alone would not be possible. Thank you for joining us to make a lasting difference in marriages and families, one home at a time.

Nathan & Jennifer

Thank you

Praises and Prayers

Praise for a successful ministry trip to Texas! We planted many seeds in the hearts of couples. We met several new couples and have a few new ministry partners!

Pray for comfort for Jennifer's family. During our ministry trip in Texas we got the news that Jennifer's grandmother, Mildred Brown, had passed away. So we cut our trip a little short and came home to join family in celebrating her 86 years of life. Praise God for her faithful life and passing on a legacy of love to us!

Pray that we will stay in tune to the Lord's leading and follow Him as we take this next leap of faith.

Pray that God will quickly guide us to the remaining financial partners we need so we can report to FamilyLife by July.
