

At the end of every Weekend to Remember Marriage Getaway, there is great excitement when going through the participant evaluations. We delight in hearing how God is moving through these events and reading the personal stories of how God has changed hearts.

“We were on the verge of divorce after 16 years and had to do something. We have 5 kids and we want them to grow up with both parents in the home. This Weekend To Remember has given me hope for my marriage! Weekend To Remember has given us tools to use to make our marriage stronger!” St. Louis attendee. (You can read more comments from attendees on the back page.)

Over 600 people attended the St. Louis Weekend to Remember last weekend

Jennifer and I were recently given the opportunity to work, behind the scenes, at the St. Louis Weekend to Remember event. This was the first time that we officially “worked” the event as FamilyLife staff. We are so blessed to be part of a ministry that is making a profound impact, not only in the St. Louis area, but all over the country.

God is so amazing! There are BIG changes happening here that are impacting eternity!

I was excited to participate in the technical production of the St. Louis event. I am working several events this year in order for me to experience how we currently use technology so that I can effectively research and develop new technology to enhance our participants experience.

I was able to help in a range of different areas during the weekend. I spent time operating our video switching equipment, running our audio mixer, operating IMAG cameras, managing the technical team and more.

Jennifer also helped over the weekend in the resource center where she talked with dozens of participants, encouraging them to take what they have learned and to go home and help strengthen the marriages around them.

Thank you for making this ministry possible.

Nathan & Jennifer

Pray: That as we enter the Thanksgiving and Christmas season, we will all seek ways to give our Thanks and express our Love to the Lord.

Pray: We would also like to ask that you prayerfully consider our ministry for your year-end giving.
