## The Walker Family Reader

October 2013

### Got Family Issues? There's an app for that.

Today more and more people are looking to their smartphones for answers. What's the weather going to be like tomorrow? There's an app for that. What do I need to pick up at the grocery store today? There's an app for that. What is the balance of my bank account? There's an app for that. How do I keep my kids entertained in the waiting room at the Dentist's office? There are a lot of apps for that.

FamilyLife Today® Co-hosts  
Bob Lepine & Dennis Rainey

There are all kinds of mobile devices that provide a vast amount of information at people's fingertips but what if you need to find answers to family issues? FamilyLife is actively developing apps that will provide for these needs.

There are many apps "in the works", but one of our favorite apps that is available now is the FamilyLife Audio app. This app will allow you to listen to the FamilyLife Today® radio show which is our 30 minute interview style daily program. You'll find in-depth interviews with authors, experts, pastors and sometimes everyday people just like you. FamilyLife Today® has over 9 million listeners each week, and we invite you to join the listening audience.

Co-hosts Bob Lepine and Dennis Rainey are fun to listen to and they are always discussing relevant topics from a Biblical perspective. It's funny, informative, engaging and FREE!

FamilyLife Today® covers a wide range of topics. Here are some of our favorite shows:

- Family Driven Faith—with Voddie Baucham
- Keeping the "Little" in Your Girl—with Dannah Gresh
- Be the Mom—with Tracey Eyster
- Hero: Unleashing God's Power In a Man's Heart—with former NFL player Derwin Gray
- Love, Sex, and Lasting Relationships—with Chip Ingram
- The Power of a Praying Couple—with Stormie and Michael Omartian
- Your Sacred Marriage—with Gary Thomas
- A Personal Visit with Bill Bright—Founder of Campus Crusade for Christ

We have listened to so many radio shows which have helped shape us into the parents and family that we are today. These shows have given us the hope, biblical direction, and encouragement we need. *Our family is important to us. Our family contains the most important human relationships we have. We want to get them right, and we need all the help we can get!* We hope you find this outreach as valuable to your family as we have found it to ours.

*Nathan & Jennifer*

### Praises & Prayers

**Praise:** for the 9 million weekly listeners of FamilyLife Today. Pray that God uses this outreach to continue to show couples how to practically build their life, marriage, and family on the solid rock of Jesus Christ.

**Praise:** our small group just finished the Art of Marriage study and they want to continue learning about biblical marriage! Praise the Lord! So we will be starting *FamilyLife's Life Ready Marriage Oneness* video series in a couple weeks!

**Pray:** for Jennifer and the entire eMentoring Department at FamilyLife. There is a plan to expand this outreach, pray for wisdom and discernment about how to move forward.

**Pray:** for Nathan as he works on a management team that will be implementing a large email upgrade for FamilyLife in October.
