## The Walker Family Reader

October 2014

*Praises & Prayers*

### The Largest LIVE Event FamilyLife has ever done

Saturday October 4, 2014 is a day that will be remembered by over 36,000 people. More than 6,100 people attended the Washington DC event and were encouraged and fired up about strengthening their marriage and families. Additionally, over 200 churches participating in the Simulcast where it is estimated that approximately 30,000 people across the United States attended.

Pictured right is a photo I (Nathan) took during the event. I was honored to be helping with a great event where God was really moving! Here are some Tweets during the event:

*"Saved our marriage!"*

*"We arrived completely broken, and left with hope!"*

*"Married 26 years; separated for the last 3 years. We recommitted on this day. Today was our new beginning. Thank you!"*

*"I needed to see my husband look in my eyes and restate our vows. I forgot he loves me."*

**Some of the simulcast locations had fun with Photo Booths!**

**Praise:** For the 36,000 lives that were impacted through FamilyLife's I Still Do Simulcast!

**Pray:** For a ripple effect to spread across the country. That all our I Still Do participants will not keep to themselves what they have experienced, but that they would begin to encourage the marriages around them by pointing couples to the biblical plan for marriage. Pray for many marriage movements to be started around the country!

**Pray:** For the upcoming Weekend to Remember events in our home area. Pray that many couples will attend the events in St. Louis, Kansas City, and Branson.

**Pray:** For our family and our marriage. After Nathan's very busy season of traveling with the I Still Do events, our family is in need of some good quality time together.

Thanks to you, our ministry partners, for helping to make this event and this ministry possible! We couldn't do this without your support! Thank you!

## Come see us at the St. Louis Weekend to Remember

If the St. Louis Weekend to Remember has the attendance it has received over the last two years, they will need more audio/video support which means Nathan will be called to assist and I (Jennifer) will be able to come along.

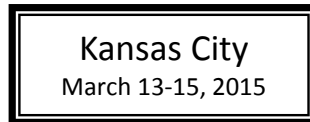

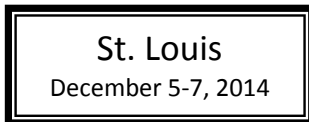

Don't miss this great chance to invest in your marriage. Make the Weekend to Remember an early Christmas gift to your spouse where you can reconnect and recharge as a couple!

*If you are a financial ministry partner, enclosed you will find a Weekend to Remember Certificate which offers a great discount on registration. If you can't use it, pass it onto someone else that can. It is just our way of saying "Thank You" for your continued giving toward our ministry with FamilyLife.*

### To all the Ladies... a message from Barbara Rainey, creator of Ever Thine Home:

“Every woman's home is an expression of who she is--her values, her faith, her relationships. She naturally gathers family and friends to celebrate holidays and special occasions. But in the busyness of life it is sometimes difficult to know how to focus on gratitude at Thanksgiving, honor Christ at Christmas or celebrate the hope of Easter in meaningful ways. We at Ever Thine Home want to help you add that which lasts forever in your home and family all year long.”
