## Brand New Resource—Passport2Identity Prepare Your Teen For Life

Passport2Identity helps you do more than just survive the teen years. It gives you the materials you need to prepare your teen for adulthood during a weekend getaway. All you have to do is plan the time and location. FamilyLife will provide you with the tools and talking points to help your teen transition to independence through dependence on Christ.

This resource is designed for teens 14-16. See more details on the back.

### For Young Men

### For Young Women

Our family got to participate in a fun way for the promotion of this new resource. Lucas and Allison's bedrooms were used in the promo video. Check out the video called "Introducing Passport2Identity" at [www.passport2identity.com](http://www.passport2identity.com). We now have a great appreciation for the work that goes into these short video clips. The video crew was at our home for 12 hours to record this 45 second video clip.

Please join us in praying that God will use this resource to impact thousands of teens, helping them find their identity in Christ!

**Praise:** for the launch of Passport2Identity. Pray that God would use this resource to impact thousands of teens. Pray that it will help teens make their faith their own and that they will find their identity in Christ!

**Pray:** for us as we have begun our first official season of Marriage Ministry at our local church. 4 new couples attended our first night of couples Bible Study this past week and 15 women have signed up to attend my Monthly Praying Wives Club. Please pray that God would guide us as we continue to develop our plan to reach the marriages of our church and community.

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock."  
**Matthew 7:24-25**
